

REPAIR AGREEMENT

I understand:

1. I bring items to be repaired at my **own risk**. I acknowledge that my item may be broken further during repair, that data may be lost, and that a repair may not last.
2. Repairers at this Repair Cafe are **unpaid volunteers** and do not offer a professional repair service.
3. Organisers & repairers within the Cambridgeshire Repair Cafe Network **accept no liability for damage or injury caused by repaired items**.
4. My item:
 - Needs to be PAT tested ☐ Does not need to be PAT tested ☐
 - Passed the PAT test ☐ Failed the PAT test ☐ N/A ☐
5. Repairers may choose **not to attempt to repair** my item.
6. If batteries, leads, plugs, fuses, zips or other **replacement parts** are needed, I need to provide them. If we have them in stock, you can buy them from the Repair Cafe.
7. I have to **stay with the repairer/within the Repair Cafe** while my repair is being carried out.
8. I have to **take my item away** with me when I leave or dispose of it in an e-waste bin if one is available.
9. If I have more than **one item**, each one must be booked in separately. Items will be looked at if repairers have time, but I will have to go to the back of the queue if there is one.
10. If I have brought **children** with me, I am responsible for their behaviour and safety, and will remove them from the repair area if requested to do so.
11. **Photographs or video** may be taken of me at the Repair Cafe and used for publicity. I will let the organisers know if I would like to **withdraw permission** for this.
